

Dear Workplace Rewards Member,

Thank you for your participation in Murphy's Workplace Rewards Program. We are excited to announce that effective Dec 1, 2013 we are introducing a new & improved version of the program that will allow you to earn cash rewards towards your purchases!

Your current card will be replaced with a Murphy's Guardian Rewards Card that allows you to earn 10 points for every pre-tax dollar spent on front store purchases. However, because of the partnership we have with your employer, you will earn 1.5 times the point's everyday on every front store purchase! Also in recognition of our relationship with your employer, we are pleased to offer you 2,000 bonus points to get you started.

Collect Faster, Redeem Easier, Reward Sooner!

How it works?

- Bring your current Workplace Rewards Card into any Murphy's Pharmacies Location
- A member of our front store team will replace your card with a NEW Murphy's Guardian Rewards Card
- You will receive **2,000 BONUS Points** to get you started
- You will receive 1.5X the points on front store purchases every day
- As you reach redemption levels (2,500 pts, 5,000 pts, etc) you can use your cash rewards towards your purchases

If you have already received a REWARDS card, please send an e-mail to joconnor@murphyspharmacies.com with your name, address, phone number and place of work/organization and your REWARDS card will be upgraded to the Workplace Rewards level. Your bonus points will also be added.

As always, your health is our #1 priority and as a Murphy's Pharmacies dispensary customer, you have access to the following services and benefits:

- FREE Prescription Pick-up and Delivery (select locations)
- Automatic Medication Refill Program
- FREE Medication Packaging
- Customized medication solutions from Prince Edwards Island's only pharmaceutical compounding laboratory
- Complimentary Medication Reviews for Seniors and people with Diabetes
- Complimentary consultations with our Certified Diabetes Educators

For more information on our locations and health services, visit www.murphyspharmacies.com or call 902-892-1210. We look forward to serving YOUR health needs today!

Yours in Health,

Ray Murphy
